

## **Mentorship Requirements for Orthopaedic Division Level System Courses**

1. MUST be a member of CAMT as either an RCAMT (to mentor level 1 -3) or FCAMT (level 1 – 5). If you are not a member of CAMT please go to the web site [www.manipulativetherapy.org](http://www.manipulativetherapy.org)
2. To register as a mentor please fill out the application and email it to Jackie Sadi ([jsadi@rogers.com](mailto:jsadi@rogers.com)) or fax (250-472-4237) the below application as soon as possible.
3. Current mentors please ensure that you are registered at CAMT and also please re-submit your mentorship information.
4. To be a mentor in the Orthopaedic Division Education level system you must have successfully challenged and passed the Canadian Intermediate and Advanced Exams

A national registry of all mentors is being established along with policies and guidelines to help assist both the student and the mentor. Thank you in advance for your support.
